# Understanding Medicare Part C & Part D Enrollment Periods

Enrollment in Medicare is limited to certain times. You can't always sign up when you want, so it's important to know when you can enroll in the different parts of Medicare. This tip sheet is designed to help you learn more about enrolling in Medicare Advantage Plans (Part C) and Medicare Prescription Drug Plans (Part D), including who can sign up, when you can sign up, and how the timing, including signing up late, can affect your costs.

**Note:** For information about signing up for Medicare Part A (Hospital Insurance) and Medicare Part B (Medical Insurance), visit [Medicare.gov/publications](https://www.Medicare.gov/publications) to view the booklet "Enrolling in Medicare Part A & Part B."

## When can I sign up?

There are specific times when you can sign up for a Medicare Advantage Plan (like an HMO or PPO) or Medicare prescription drug coverage, or make changes to coverage you already have:

- During your Initial Enrollment Period when you first become eligible for Medicare or when you turn 65. See page 3.
- During certain enrollment periods that happen each year. See page 5.
- Under certain circumstances that qualify you for a Special Enrollment Period (SEP), like:
  - You move.
  - You're eligible for Medicaid.
  - You qualify for Extra Help with Medicare prescription drug costs.
  - You're getting care in an institution, like a skilled nursing facility or long-term care hospital.
  - You want to switch to a plan with a 5-star overall quality rating. Quality ratings are available on Medicare.gov.

See the charts beginning on page 7 for a list of different SEPs, including rules about how to qualify.

## Note about joining a Medicare Advantage Plan

You must have Medicare Part A and Part B to join a Medicare Advantage Plan. In most cases, if you have End-Stage Renal Disease (ESRD), you can't join a Medicare Advantage Plan.

## Initial Enrollment Periods

<b>If this describes you...</b>	<b>You can...</b>	<b>At this time...</b>
<p><b>You're newly eligible for Medicare because you turn 65.</b></p>	<p>Sign up for a Medicare Advantage Plan (with or without prescription drug coverage) or a Medicare Prescription Drug Plan.</p>	<p>During the 7-month period that starts 3 months before the month you turn 65, includes the month you turn 65, and ends 3 months after the month you turn 65.</p> <p>If you sign up for a Medicare Advantage Plan during this time, you can drop that plan at any time during the next 12 months and go back to Original Medicare.</p>
<p><b>You're newly eligible for Medicare because you have a disability and you're under 65.</b></p>	<p>Sign up for a Medicare Advantage Plan (with or without prescription drug coverage) or a Medicare Prescription Drug Plan.</p>	<p>Starting 21 months after you get Social Security or Railroad Retirement Board (RRB) disability benefits. Your Medicare coverage begins 24 months after you get Social Security or RRB benefits. Your chance to sign up lasts through the 28th month after you get Social Security or RRB benefits.</p>

## **Part D late enrollment penalty**

The late enrollment penalty is an amount that's added to your Part D premium. You may owe a late enrollment penalty if at any time after your Initial Enrollment Period is over, there's a period of 63 or more days in a row when you don't have Part D or other creditable prescription drug coverage. Creditable prescription drug coverage is coverage (for example, from an employer or union) that's expected to pay, on average, at least as much as Medicare's standard prescription drug coverage. If you have a penalty, you may have to pay it each month for as long as you have Medicare drug coverage. For more information about the late enrollment penalty, visit [Medicare.gov](https://www.Medicare.gov), or call 1-800-MEDICARE (1-800-633-4227). TTY users can call 1-877-486-2048.

## Enrollment periods that happen each year

Each year, you can make changes to your Medicare Advantage or Medicare prescription drug coverage for the following year. There are 2 separate enrollment periods each year. See the chart below for specific dates.

Rules about when you can make changes and the type of changes you can make are different for each SEP.

The SEPs listed on the next pages are examples. **This list doesn't include every situation.** For more information about SEPs, call 1-800-MEDICARE (1-800-633-4227). TTY users can call 1-877-486-2048.
